

Keep the following people in your thoughts and prayers:

Members:

Dwayne Blumenstock: has good news to share (please see below).

Flo Valentine: continues to do well but she loves visitors and thanks everyone for coming by.

Family and Friends:

Phil Scafe: (youngest son of John & Perdy) is now home from the hospital (in Pensacola, FL) where he will be joined by John & Perdy after Thanksgiving. He will be receiving daily radiation treatments and complementary oral chemotherapy, and his wife, John & Perdy will be there to help. Phil is afflicted with stage four astrocytoma and at this juncture, has a 50/50 chance of surviving six months (and if he endures past the six month mark his prognosis improves to a 50/50 chance of surviving one year).

Peggy Gilbert: (Friend of Tona Griggs & friend & colleague of Melissa Burnett) thanks the congregation for our continued prayers as she takes oral chemotherapy during remission of her breast cancer.

Josephine Walker: (Jeanne Kruger's mother) is in Magnolia Square, Room 228.

I have good news...

Tests show that I am stable, but not in remission. We will see what future scans tell, but thanks to everyone for the cards, calls and inquiries with special thanks to Pastor Becky.
Dwayne Blumenstock
