## **Greetings**

### **Call to Celebration**

**Pastor:** And now may the grace of Jesus Christ be with you.

**People:** **And also with you.**

**Pastor:** Bless O God, these pavers we lay this day that the memory of our beloved will live for ever.

**People:** **Bless God, O my soul, and forget not all God's benefits.**

**Pastor:** May these pavers in the midst of this sacred circle be for us a path to healing and a realization that love is stronger than death.

**People:** **Redeems our life from the grave, and crowns us with mercy and loving-kindness.**

### **Opening Prayer**

**All:** **Almighty and everlasting God, we give thanks for times remembered when we shared laughter, heartache, works of love, and faith with these we honor here today. We ask that You pour into these mere bricks, blessings enough to make them sacred, love enough to heal our hearts, and move us into the holy realm where our relationship with our beloved can continue. Amen.**
